Isacord Embroidery Thread: - 2 spools \*Suggested colors: Green and Pink

2 Bobbins, 1 pre-wound with Bottom Line Embroidery Thread and 1 empty bobbin

Ultra Clean and Tear to support fabrics

Fabric-

2 Cotton fabrics - light in color - cut 10" wide by 45" in length

Please have your fabric cut, marked and ready to hoop in order to start the class on time. If you don't have fabric prepared you can purchase prepared fabric at Bernina NW for \$25.

### PRE-Class Prep:

- Cut 2 cotton fabrics - light in color - 10" wide from selvage to selvage
- Mark a line down the center of each piece from selvage to selvage with your favorite marking tool (chalk; water erasable pen, marking pencil, etc.)
- Using a spray adhesive (505 or HR5 temporary spray adhesive) to adhere the stabilizer suggested above to the wrong side of the fabric strips. It is easier to re-hoop if the stabilizer runs the length of the fabric from selvage to selvage.
- Store your stabilized fabrics around the roll of stabilizer and bring to class.

Class enrollment is limited, so please notify us if you are unable to attend so someone else may be able to take your spot. Please be considerate to others during class, make sure your cell phone is turned to vibrate and please no children and pets in class.
